Become the next Taiji Bailong Ball PRO-PLAYER and certificated TBBA- (assistent)TRAINER

Taiji Bailong Ball (TBB) is played with Racket and Ball.
Fluent, dynamic and round movements are in the foreground. Entire harmony is the aim!

Learn Taiji Bailong Ball soundly!

Would like you to learn Taiji Bailong Ball properly and with joy? The association of Taiji Bailong Ball Association e.V. offers under the supervision of inventor Prof. Bai Rong Pro-Player-Courses which provides the complete Taiji Bailong Ball system with theoretical knowledge and above all practical implementation.

Who are the TBB-Instructors?

The instructors of the TBBA are beside the inventor Prof. Bai Rong, TBB-Instructors Sui Xiaofei (Germany / China), Fritjof Nelting (Germany), Maya Lentze (Netherlands) and Jonn van Schoot (Netherlands). All instructors in Europe dispose of long-standing experiences and special abilities and have all run through a structured TBB education.

TBB is variously applicable: in the (sport) lessons, in sports associations, as reha-accompanying therapeutic exercises, as a coaching instrument, etc.

How long does a Pro-Player course last?

A Pro-Player course lasts a total of 80 time hours. There are yearly different offers. The following variations are conceivable:

- Intensive course (two weeks of continuous training)
- Block course (two separate weeks with minimum to 5 months between block 1 and block 2)
- Weekend course (seven weekends à 12 hours)

What do I get after a Pro-Player course?

A pro-player is versed in Soloplay as well as Multiplay. She / he is an Allrounder which receives a direct licensing to the TBBA competitions. On account of Standard forms, Freestyle, Multiplay-Cooperative or Competition, the pro-player controls all practical technologies and the theoretical background knowledge.

There are already a lot of TBB-Trainers in different European countries. A certificated TBBA trainer is adaptable and has always fun and motivation in playing Taiji Bailong Ball.

How do I become a certificated TBBA trainer?

To become a TBBA trainer, you have to visit a complete pro-player course condition. Several times yearly there is an exam to the practical as well as theoretical contents are checked. After passed exam you receive the trainer's certificate.

What else must I fulfil?

You should bring an affinity for movements. Foreknowledge from eastern movement apprenticeships or other ball sports is desirable, but is on no account necessary!
